GAME, SET & SNATCH

I'm 28 and am pretty successful for someone of my age, so I like to play just as hard as I work. I've played the field and still feel no necessity to settle down – especially as my current girlfriend is a nineteen-year-old nympho. I met her at my local tennis club, where the sight of her tight, nubile body bouncing and cavorting around the courts had my cock straining at the front of my shorts. But it was her long, tanned legs that really caught my

attention. I've always been a 'leg man' and nothing turns me on more than a pair of shapely limbs disappearing into a tiny skirt or shorts.

I had finished playing and walking past the other courts on my way to the clubhouse to shower when I first saw Josie. She looked so pretty and fresh – her face shining with perspiration as she scooted across the court to return a shot. Her skirt was so short that it barely covered her crotch, and with every movement she flashed a glimpse of her white cotton knickers. Her long legs stretched tantalisingly from her pants to her cute ankle socks.

Surreptitiously I watched the rest of her match from a nearby bench and when she finished her game I enjoyed an enticing view of her pert little buttocks as she bent to stuff her towel and racquet inside her kit bag. Picking up my own bag I hurried to intercept her as she left the court. Without bothering with the usual pick-up lines or even waiting to introduce myself I jerked a thumb to my Ferrari and cheekily invited her to come home with me to freshen up.

My audacity paid off, as, intrigued by my uncharacteristically blatant offer, she agreed, only stopping off to pick up her clothing from her locker in the ladies changing room. Before long we were cruising along in my car, the stereo

I'LL BE DANA'D!

Dear Mayfair,

Many thanks for another cracking issue of my all-time favourite mag – there were plenty of treats as ever, but I particularly have to commend you for the set of pictures you printed featuring the astonishingly lovely Dana atop a double-decker bus! She'd have been more than a match for Reg Varney and co, that's for sure, although given that they seem to be making new film versions of just about every crappy old TV series going, perhaps you could suggest an *On The Buses* remake with Dana taking on the role of Olive? It'd be a million times better than the old film, that's for sure!

Anyway, pass on my admiration to Dana herself – she certainly rang my bell!

Alan, Crewe.

Cheers Alan – but to be honest we reckon Dana's cut out for greater things in life than an untimely On The Buses remake – The Ed.

A BIT OF ALL WHITE!

Dear *Mayfair*,

As a lover of smaller boobs, I was very happy to see Natalia Forrest and newcomer Bex White appearing in the latest issue. Bex is definitely a find, who I hope we'll be seeing a lot more of in the near future. I love the cheeky up-skirt shot you featured of her on page 7 (surely the one thing we'd love to see more than anything else when we're going up a flight of stairs!), although it was the pictures of her on page 8, lying on her back with her lovely, perky nips sticking proudly up in the air, that really did the trick for me! What an outstanding (literally) natural beauty! Keith, Grantham.

blasting, her tennis clothes sticking damply to her deliciously taught body; the soft contours of her small breasts and nips showed clearly through the damp cotton of her top.

When we reached my place I offered her a cold orange juice to help her cool down before showing her around. As she was flirting outrageously with me I saw it as a green light, and took every opportunity to touch her up as we walked from room to room; I groped her softly rounded buttocks, my hand sliding up under her short pleated white skirt while she giggled and jumped, obviously enjoying the playful intimacy as I fondled her scrumptious arse.

She was impressed by her luxurious surroundings, her youth and inexperience wonderfully refreshing in comparison to the world-weary model I had been banging the week before.

I pulled her to me and began kissing her, my fingers creeping up under her top to squeeze her hard little nips, which caused my growing erection tentpole in my thin tennis shorts and poke

rhythm before gradually picking up pace. Josie was gasping and urging me on, her long legs dancing up and down as she pushed her spasming pussy back onto the root of my plundering rod. As her vag muscles tightened and her back arched she squealed and climaxed, her pussy constricting around the thick stem of my penis.

Her orgasm began to wane but she apparently wanted more, sticking her tongue in my mouth and roughly kissing me. We tumbled to the floor in a heap, me on top of her, and as our passions rose once more, I mounted her, pushing my pulsing member into her soaking gash. Josie moaned as I started sucking on her tit, slowly licking the nipple as I fucked away.

My hands gripped at her arse cheeks as I thrust my rock-hard cock into her love nest, and she gasped in ecstasy, her nails digging into my back as I impaled her, her strong vaginal muscles tightening around my man meat as she rocked back and forth on it.

“AS HER VAG MUSCLES TIGHTENED AND HER BACK ARCHED SHE SQUEALED AND CLIMAXED, HER PUSSY CONSTRICTING AROUND MY PENIS...”

into her soft abdomen.

“Let’s not hang about. I’m horny! Fuck me now!” She whispered in my ear. “Lift my skirt and do me from behind.” I obliged, and, draping her over the back of an armchair, I pulled up her tennis skirt and admired the way her long legs stretched down to the floor, scissoring and moving wide apart when I caressed the insides of her well toned thighs.

A tell-tale damp spot was visible on the gusset of her crisp white knickers, her soft pubes peeping out the side of the elasticised leg holes. I felt an unbearable urge to smell her through the material, but she insisted she wanted me inside her, and who was I to argue?

I stood up, and, peeling her pants down from her bum, exposed her down-covered snatch, its lips moistened with her excitement. My cock twitched at the sight of her deep, pink pussy and I lost no time in shedding my clothing. Standing behind her, I pushed my rod inside her slick hole, enjoying the small squeal Josie emitted.

I thrust my cock deep inside her, fucking her with a slow

Wrapping her legs around my back, Josie drew me deeper inside her and I felt the moist inside of her pussy begin to tighten once more. She began to grind her pubic mound into me, her snatch throbbing in time with my pelvic thrusts, giving me warning that she was going to come again so I continued pumping her for all I was worth.

She whimpered as she climaxed, her convulsing pussy tightening almost painfully around my shaft and I climaxed, her strong pussy muscles squeezing every last drop of spunk out of my exploding cock as it spurted long and hard deep inside her slippery love-hole.

Since then Josie has moved in with me and so far I am enjoying the experience. She dresses in a most provocative manner anytime my friends come over, and they’re quite understandably impressed and envious. Knowing that I have a penchant for her legs, she almost always wears the tiny pleated little mini skirts, meaning I early always have a hard-on for her! Who wants to settle down?!

Miles, Harrow.

Jenny Laird's got rather a healthy glow about her these days, hasn't she? Has she been larking about in foreign climes, hobnobbing with the jetset? Sadly, it seems not...

"I've just bought a new house, so there's no glamorous holidays for me this year, I'm afraid! Still, with the scorching summer we've had so far, who needs to go anywhere exotic to get a tan? I'd much rather head down to Devon for a few days on the beach anyway – the fish and chips are much tastier, and you can get a half decent cream tea as well!"

Don't tell us you're a devotee of fish and chips and cream teas? Surely you ought to be a bit, erm, fuller figured if you like scoffing that sort of stuff!

"Well, one in a while doesn't hurt, does it? Sometimes the temptation just gets too much to resist..."

A VIEW TO A THRILL

I'd always thought that my stepsister, Karen, was a bit out of the ordinary, but I'd never realised before just how strange she was. Let me explain: her mum and my dad got married about seven years ago. I didn't like the idea of a little sister annoying my mates and me when we were having a boys' night in, so I didn't really have much to do with her. Over the years, though, she's turned into a right babe and my mate Pete fancies her like mad. Recently Pete pestered me to find out what sort of perfume she wears so that he could buy her some for her birthday. So one night when she was out I went into her room to have a little rummage about. Unfortunately, just as I was going for her knicker drawer I heard her let herself in downstairs. I couldn't get out of her room as it's at the top of the stairs and she would've seen me, so I climbed in her wardrobe, hoping she'd duck into the kitchen, or anywhere downstairs really, before coming up to her room. Only she didn't – she headed straight up the bloody stairs, and worse, her mate Tina was with her. They waltzed

straight in and, much to my initial dismay, began to undress. Through a crack in the door I could quite clearly see Tina necking with my sister Karen!

I gawped in amazement as I watched them take off each other's clothes and clamber onto the bed together. Karen climbed on top of Tina, holding her face and kissing her passionately before sucking and licking her way down Tina's body. They had obviously done this before and Tina looked as if she was really enjoying herself, writhing around under Karen's spell. Karen buried her face between Tina's thighs and sucked on her pussy so much I could hear the slurping from the wardrobe. I have to confess that my cock was rock hard watching this amazing sight.

Once Karen had made Tina come all over her face, she crawled back up Tina's body and my boner throbbed like mad as Tina licked all her come off Susie's face. Then Tina rolled Karen off her and made her lie face down on the bed. She started to slap Karen's arse, gently at first and then harder.

Karen liked it so much she was raising her arse off the bed to meet Tina's hand.

Soon there were red handprints all over Karen's bum. Tina then spread Karen's legs wide and got her up onto her hands and knees. Karen was really wet; I could see her thighs glistening with her juices, and Tina ploughed right on in, licking up all her juices and tonguing her until she came. This went on for ages; they must have come at least six times each. My cock was near to bursting and I longed to whip it out and wank myself off, but I couldn't really bash one out in my stepsister's wardrobe, could I?

The door opened downstairs and my dad and step-mum called up that they were home. The girls quickly dressed

and after cleaning their teeth they went downstairs as innocent as you like!

Naturally, once I was able to leave the wardrobe unobserved I went straight to my room and had a really good wank – although it only took me about 10 seconds to come. Not surprising really, since the sight of two sexy young women fucking each other right in front of me is something I had always fantasised about.

I've since told Pete that he's probably not in with much of a chance with Karen, but haven't told him why. He bought her some perfume anyway, but I don't think it'll get him anywhere, somehow!

Ben, Mansfield.

NAT'S CHUFF!

Dear *Mayfair*,

I'm quite possibly Natalia Forrest's biggest fan, so I was delighted to see her gracing the cover of your latest issue (49.10). With her striking looks and wonderfully firm body, she's easily got to be the hottest UK model out there at the moment, and I congratulate your photographer for capturing her in all her glory, complete with stockings and tantalisingly see-through panties! And you're absolutely right – any right-thinking man would give his hind-teeth – if not his right arm! – for the chance to be the one who wakes up next to Natalia each morning!

Martin, Taunton.

Rather understandably, given that we're neither total morons or, er, otherly inclined, we were quite taken with Cambridgeshire lovely Vicky Burns when she appeared in the mag back in the spring, so it was only a matter of time before the Ed got back on the blower to ask if she fancied having another shot at capturing her loveliness on film (ie, take some more nudey pics of her). Well, as you can see, Vicky wasn't averse to the idea herself, and before you could say "Don't forget to take off the lens cap!" she was sprawled on the floor before us, writhing around in a frenzy of self-induced pleasure while we desperately tried to resist the urge to administer a little self-induced pleasure of our own. But please don't feel you're not allowed to!

QUEST...

There's nothing worse than not being able to get to sleep on a hot night, is there? So why not forget about sleep and get shagging instead, like these three?

I usually sleep at the front of the house but I'd forgotten to close my curtains and the afternoon sun had turned my bedroom into a blast furnace. That was why I heard the splash as someone jumped into my pool. Having a swimming pool in my back garden wasn't something I would have chosen but it came with the house and I hadn't got round to filling it in. The pool guy had called round not knowing that the house had changed hands and I'd thought what the hell, since the

hot spell looked likely to last, it would be worth

making use of it. I hadn't expected other people to be making use of it. I peeped out of the window, ready to call the police but saw two heads, one of whom I recognised. Pulling the chords of my dressing gown tightly around my waist, I stormed downstairs.

"What the hell are you doing?" I asked, feeling genuinely outraged. It wasn't until after I'd asked the question that I realised exactly what they were doing. Abigail was bobbing in the water between the legs of a man as he sat on the side with his cock standing up hard. He slid into the water, driving Abigail under the surface in doing so. She came up coughing and spluttering. "Jesus, are you OK?" I asked, hurrying around to grab a hold of Abi. She had a horrible barking cough and her eyes were streaming.

"I'm sorry," she said. "It's just that it was so hot!"

"So you and your friend decided to take a dip?" I looked across at the guy bobbing at a discreet distance. He wasn't being discreet about what he was looking at. I'd been in a hurry when I'd left my bedroom and I'd been sleeping naked. As I crouched down at the edge of the pool with him in it, he had a perfect view of my pussy. He realised that I'd caught him looking and had the good sense to turn his attention elsewhere. My anger returned. "I think it's time you fucked off," I snarled in his direction. He gave Abi a pleading look but recognised from her expression that the game was up.

"I'll see you tomorrow," she said, effectively dismissing him. I watched as he pulled himself out of the water and couldn't help but make a sarcastic remark after seeing his much-deflated tackle.

"Must be pretty chilly in there," I said. Abi giggled, earning us

both a sour expression. "Friend of yours?" I asked, nodding in the direction of the departing figure.

My side gate slammed. "Maybe not now," she said, not sounding in the least remorseful. "You're not going to tell my parents about what you saw me doing?"

"Why would I? But you really should ask me first."

"I should ask you if I want to give a man a blow-job?" Abi asked cheekily.

"If you want to do it in my pool, yes."

"What about if I want to lick a woman's pussy?" There was no doubt as to what Abi was alluding to since she'd let her gaze drop down between my legs. Before I had chance to find a suitable response, Abi had pushed herself out into the middle of the pool. She was on her back with her glistening tits poking up out of the water. "Why don't you join me?" she called. Although I consider myself to be straight, I have had one MFF threesome where I got to play with another woman's body. It wasn't the worst experience of my life and I always promised myself that I'd give the lesbian thing another go if an opportunity presented itself. Having a naked 19-year-old

inviting me to join her for a midnight dip was definitely an opportunity.

Abi glided back across the pool and was there to greet me as I lowered myself into the water. "I've always had a thing about older women," she said, as we bobbed face-to-face. At 28, I didn't see myself as 'an older woman' but let the comment slide.

"Have you ever done anything about it?"
 "No, but I like the idea of it."
 "Have you ever licked another woman's pussy?"
 "No. Have you?" I nodded.
 "Did you like it?" I suddenly felt like a lecturer at the front of a class with an eager student sitting in front of me ready to write down every word I uttered.

her hand against the back of my head. Abi relayed instructions about how hard she wanted it and how fast, although I probably would have been able to work it out from the way her hips were dancing. It had never occurred to me to tell her what to do and I found myself wondering what it might have felt like if I had. I slipped my hand down between my legs and teased my clitoris to another fiery climax just before Abi came with a squeal of sexual delight. "I'm so glad you had your window open tonight," Abi said, having slid back into the water.

"You know, my bedroom's probably cooled down now."
 "I can think of a way we could heat it up again," Abi replied, taking the bait. I really couldn't blame the weather for making me all hot and sticky when I went back to bed.

It was an unusually warm, sticky summer night and Ryan and I had been to a party where we were drinking and dancing until late. Ryan is usually like a stallion when we come home from a night out, but he had been drinking hard that night, so when he flopped into bed and fell asleep immediately, I sighed, and, snuggling up to him, fingered myself to a much-needed orgasm and fell asleep too.

Some time later I awoke to the most delicious throbbing in my nipples, and found my pussy grinding hard against Ryan's fingers as they worked their magic inside my dripping slit. Feeling me awaken, Ryan rolled me round to face him and kissed me, slowly, softly, and deeply, his fingers still working my pussy.

My body was tingling all over as his lips and teeth nibbled at my ear and along my neck, and I pressed myself against his hard frame as my legs parted and my hot juices flowed from my aching pussy.

I was hot and sticky in spite of the open window and somehow this

"I FELT THE TIP OF HER TONGUE WIGGLE DOWN MY SLIT AND FORCE ITS WAY INTO THE OPENING OF MY VAGINA..."

"It was pretty cool," I stammered. Abi looked at me, obviously hungry for more information.

"Did you make her come? I'd love to make a woman come." My pussy pulsed as Abi squashed her breasts against mine. All thoughts of modesty and proper behaviour disappeared as she kissed me. Our mouths opened and our tongues played enthusiastically, auditioning to be allowed to lick where our fingers were exploring, for my fingers were touching between Abi's legs and hers were rubbing between mine. "I want to lick your pussy," Abi gasped breathlessly. I hitched myself out of the pool and sat on the cold tiles with my legs spread. It was too dark to see details but I gasped with surprise as the mouth which had been kissing me with such unbridled enthusiasm set to work on my pussy.

Abi was born to lick pussy. I felt the tip of her tongue wiggle down my slit and force its way into the opening of my vagina. As her tongue probed, her thumb rubbed the top of my pussy, sending a stream of pleasure running up my spine. She didn't do anything more complicated but there was no need as I simply tried to keep still as my neighbour pleased my pussy. Abi kept to the exact same rhythm and what had started out as delicious stimulation became torturous teasing as I got closer and closer to my climax. Her mouth took me right to the edge five times before she gave me the pleasure that I craved. The orgasm was so unexpectedly perfect that I didn't know what to say as I dropped my trembling body back into the water.

"My turn," she said, plonking her bum into the wetness I'd left behind. To be honest, I really didn't feel the same lust that I feel when I see a man's cock get hard for me but Abi had made me feel all kinds of wonderful and I desperately wanted to return the favour. I pressed my mouth right over her labia and sucked. I got the surprise of my life – Abi's pussy tasted delicious. Against the harsh chemical flavour of the swimming pool's water, there was a softer, sweeter nectar. I found my mouth tracing down in the exact same manner as Abi's mouth had done when she had started licking me. Had she had the same thoughts about my pussy? Abi shuddered as I stuck my tongue as far as I could manage into her vagina. "Oh God!" she moaned, pressing

“GRASPING HIS SILKY SMOOTH ROD IN ONE HAND, I TICKLED HIS BALLS WITH THE OTHER.”

just added to the feeling of total abandon I was feeling. Ryan had my body on fire as he nibbled my ear, blowing gently in it, and making my pussy quiver with excitement and my buttocks contract.

Ryan's lips followed his hands to my tits, caressing each in turn. His mouth was so soft, and his tongue wickedly flicked one nipple as his fingers rolled and tugged the other, sending tingles flying right to my pussy. His hard hot body pressed against mine, and our skin, which was slick with sweat from the hot night made me feel almost animalistic in my need.

Pressing his body against mine, I could feel how hard his erection was as his mouth and tongue worked down from my breasts, nibbling on my stomach and teasing my belly button, as his hands slowly opened my thighs further, his head steadily nuzzling its way between them.

As his tongue touched my clit my pussy exploded into an orgasm, sending waves of pleasure rushing over me... and he didn't stop there! His fingers teased and twiddled at my nips while his tongue flicked at my clit,

pushing me over the edge yet again. I felt steaming hot and ultra sexy as I reached for his cock, grasping his silky smooth rod in one hand while I tickled his large balls with the other. Knowing his body so well, I was very familiar with what would please him and I stroked his shaft while fondling his ball-sac, feeling him growing fully erect as I worked my fingers over his sensitive shaft.

Gently I kissed the helmet, using my tongue to tease his pee-hole and licking around the edges as I enjoyed my favourite kind of lollipop. Savouring the feel of it and enjoying the slight salty taste from his sweat, I inhaled the sexy smell of maleness as I devoured him with my mouth, scraping my teeth very gently up and down his shaft.

We became entangled in the bed sheets as we played orally with one another, and, giggling at the fun of it all, I lifted my head and pulled the sheets free, but Ryan dragged me back in under him and continued sucking and teasing my clit.

I became more adventurous, and repositioning us in a sixty-nine I explored some new sensations with my tongue and teeth. Nibbling up and down Ryan's shaft I probed and teased until I found a new spot at the base of his cock, a spot which sent him almost reeling through the roof as I gently licked and prodded it with my tongue. As he moaned loudly, trying hard to hold himself back from shooting his load, I held my breath, hoping that I hadn't gone too far.

I waited until he had more control before sucking his rod back inside my mouth, holding his cock at the root while I massaged his balls very carefully. Gently, I swirled my tongue around his mushroomed crown, my tongue running around the edge, teasing his deep red

helmet. Tasting his pre-come, my pussy clenched as Ryan worked his tongue deeper inside my slit making my pussy pulse and contract with the medley of sensations and tastes.

I could feel him tensing up as I continued sucking him harder into my mouth, his hips thrusting up to meet my lips as my head bobbed. It was the first time I had let Ryan fuck my mouth properly - up until then I had sucked him but never let him actually pump his cock into my mouth. I was surprised at how much I liked it, it was so sexy, and as I sucked his big cock I felt my own orgasm building deep inside my pussy. My pleasure grew as Ryan's knobhead touched the back of my throat, the whole feeling of wanton abandon making me feel so excited that I wanted even more.

As he pumped in and out of my mouth, I let my teeth drag gently

against his shaft, then I changed tack so that he could only feel my tongue and lips. I knew he could hold back no longer so I began bobbing my head faster, sucking hard as I tilted my head back so I could take him as deep as I dared.

With a feeling of triumph I felt him explode in my mouth, come dribbling from the corners of my lips and running along my jaw and down my neck. I swallowed the salty, sticky juices, then took my time licking him clean.

He sighed, thanking me over and over, and kissing me hard on the lips before moving back down between my legs to begin licking me out in earnest. Soon my head was absolutely reeling as he found my G-spot with the tip of his tongue and a powerful orgasm rocked my whole body.

I love going out clubbing. I do it every weekend and, call me a slapper if you like, I never come home without a bit of male company. Well, usually I bring them home, but last month I had the steamiest encounter I've ever had at a club.

I had gone out with a couple of female friends, but as usual, we'd all gotten way too pissed and lost each other. Not that I was worried - it happened every Saturday and I knew that they'd have either copped off with someone or headed home.

I was dancing away in the middle of the packed dance-floor - lost in the music, as they say - when I spotted a really hot guy a few feet away from me. He had scruffy blonde hair and

a goatee, tattoos and some seriously piercing

blue peepers. We made eye contact and he grinned, which is kind of a green light for me, so I danced my way over to him. He wasn't shy, putting his hands on my waist as

we started to grind, first facing each other, but after a while he spun me round so my back was to him and pulled my body to his, tightly.

As our hips ground against each other in time to the music, I felt him begin to get a hard on. Getting a bit hot under the collar myself, I moved his hands over my body, first round my toned bum, then up to my ample, braless tits, which he squeezed through my flimsy top. He was fully hard by now and wanted me to know it, pushing his solid dick into the small of my back as he kissed my neck, his long hair tickling my ear. I was almost unaware of anything except what he was doing to me – and how turned on I was feeling.

Suddenly he stopped and, grabbing hold of my hand, led me to a darker corner of the club before pulling me down into one of the sofas. Snogging my face off, his hands instantly went to my boobs, which had obviously left an impression on him, cupping them roughly and pinching my nipples through the material. I groaned, my fanny growing ever wetter, and pushed his head down slightly towards them. He

“SUCKING AND LICKING HIS TOOL, I TASTED HIS PRE-COME AND KNEW I WAS HAVING THE DESIRED EFFECT.”

Then, as we kissed, he undid my zip and his hand disappeared inside, making contact with my juicy cunt and causing me to let out a low moan. He smiled and I felt a finger slip inside my sopping hole... It felt so amazing, my hips began to involuntarily buck against his hand, the pleasure so intense that I shivered and closed my eyes; relishing this finger fucking I was getting from a complete stranger.

I had never imagined I'd ever get fucked on a sofa in a packed nightclub, but that's what happened next! Apparently overcome with lust, he pulled my trousers and pants down to my knees, turning me round and onto my side so he could enter me from behind. Risky? Yes. But unbelievably exciting? You betcha! I groaned as I felt his bulbous helmet bob against my slit, trying to find my hole. I parted my thighs slightly and reached down, guiding him in. As soon as he found it he slowly nudged himself inside me, causing us both to let out a moan of desire and pleasure. He pushed further, his length filling me so completely that I could feel him in my stomach – he was huge!

I was so horny that I forgot where I was and I started bucking in time to his thrusts, my whimpering getting louder and louder until he whispered, “Ssh!” in my ear, bringing back to reality. Biting my tongue, I moved my torso forward slightly and pushed my arse back as hard as I could, taking him right up to the hilt. That hit the spot! I climaxed as quietly as I could, every muscle in my body tensing and releasing as the ecstasy hit me. I knew he wouldn't last long with my pussy tightening around him more – and I was right. He grabbed my hips and

pummelled into me hard, my tits bouncing around, and as he took one last big thrust and grunted, I knew he'd blown his muck.

He pulled out and quickly did up his jeans, and I quickly did the same. When we'd sorted ourselves out, we had one last snog and went our separate ways – me to the ladies to clean my juicy fanny up!

was on the same wavelength and, pulling my top down sufficiently, he took my nipple and half of my tit into his warm mouth. I gasped as he sucked and nibbled my nips at the same time, sending tingles through my body and making me squirm. I reached down to the bulge in his jeans, getting even more excited as I rubbed it and realised just how big it was! Damn, I was desperate to feel it in my pussy!

I swiftly undid his jeans and slipped my hand inside until I made contact with his smooth cock. Breathing heavily as I gently pulled it out enough to be able to wank it, he paused sucking my tits and shoved his tongue back in my mouth, kissing me hungrily as I worked my hand up and down his big prick. I was half lying on top of him now, as we sprawled in the darkened area, and I didn't have to wriggle down too far to be able to take his meat in my mouth. I love a good blow-job – there's nothing like being in control of someone's pleasure, and sucking dick is the ultimate. Men are like putty in my hands once I have my lips around their manhood!

Sucking and licking his tool, I tasted his salty pre-come and knew I was having the desired effect. I felt his hands hold my head still tightly and he thrust rhythmically into my open gob, fucking my face like a proper slut. I was so turned on my pussy was now throbbing and I decided it was my turn. Leaving his dick alone, I wriggled back up his body; dry humping his leg as I went. He got the message and I felt his hand snake between my legs from behind, rubbing my slit and bum through my trousers. Why had I worn trousers, for fuck's sake?

There's no getting away from the fact – Emma's had a good bit of coverage in *Mayfair* recently... she must be becoming a bit of a celebrity back home in Wales by now, surely!

"Oh, I don't think I'd say I'm a celebrity just yet!" she giggles, "although what with my pictures appearing in *Mayfair*, and appearing in the *Sport* newspaper pretty often, I guess my name is getting out there a bit more now!"

Hmm, so surely the time will come when you won't be able to pop down your local boozer any more without being besieged by hordes of enamoured fans – doesn't that thought worry you at all?

"Not in the least! You obviously haven't seen my local boozer – it's a right old dump!"

Oh, right. Fair enough then!

If it's a girl with longer legs than a typical Paul Raymond lunchtime darts match you're after, ace lenswoman RB Kane's a bloody good place to start, so we simply couldn't say no when she asked us if we fancied a set of leggy looker Victoria. Yes, don't think we don't know how many of our readers get a bit carried away at the sight of a set of ten toes wiggling in the air – especially if they're at the end of legs belonging to a lady who's getting her ruder parts out for us as well – so feast your eyes on Victoria's little piggies and ask yourself what they might feel like if they were oiled up and slithering around your nether regions...

Hmm, we think we're starting to get converted to foot-worship ourselves!

GENTLEMEN, That Reminds Me

Well this is the best we could muster, but if you think you can do any better, email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 112 Down Street, West Molesey, Surrey, KT8 2TU.

A very dangerous looking group of hairy bikers are riding along when they see a girl about to jump to her death off a bridge, so they slow down and pull in to the kerb alongside.

Their leader, a big burly man with a beard down to his waist, a pot belly and a hunting knife in his belt, clambers slowly off of his bike and asks her: "Hey there! What the hell are you doin'?"

"I'm going to commit suicide," says the jumper.

While the head biker is as mean as they come, he isn't entirely insensitive where the fair sex is concerned – neither does he want to miss an opportunity, so he asks: "Well, Missie, before you jump, why don't you give me a big goodbye kiss?"

She does, and it is a long, deep, lingering kiss with plenty of tongue. After she's finished, the hairy bike gang leader reels back and growls: "Whoa! Well, wow! That was the best kiss I ever done had! Well shit-fire, young lady! That's a real talent you're wasting, jumpin' to your doom. You could be famous for kissin' like that! I don't suppose you're that good at giving blow-jobs as well, are ya?"

Within minutes the jumper has settled that matter as well.

"Wow!" grins the truly satisfied biker. Tell me, why the hell are you committing suicide, anyways?"

"My parents don't like me dressing up as a girl..."

A young woman has been taking golf lessons and has just started playing a round of golf with two friends when she suffers a bee sting. The pain is so intense that she decides to let her friends carry on and return to the clubhouse for medical assistance.

The club's golf pro sees her heading back and says, "That was quick! What's wrong?"

"I was stung by a bee!" she says.

"Where?" he asks.

"Between the first and second hole," she sputters, pushing past, almost completely doubled up. The club golf pro nods sagely and calls after her: "Your stance is far too wide."

M

A woman places an ad in the local newspaper. It reads: "Looking for a man with three qualifications: 1) won't beat me up, 2)

won't run away from me, and 3) is great in bed."

Two days later her doorbell rings. "Hi," says her visitor. "I'm Tim. I have no arms so I won't beat you, and no legs so I won't run away."

"What makes you think you're great in bed?" the woman retorts.

Tim replies: "I rang the doorbell, didn't I?"

An investigative journalist travels to Afghanistan to study the culture and is shocked to discover women obliged to walk ten paces behind their men.

She asks her guide why this is so and he explains, "Because they are considered of lesser status."

Outraged, the journalist returns home and writes a damning article about the treatment of women there.

A year later she goes back to Afghanistan covering violence in the region and is astonished to see all the women walking ten paces ahead of their men. She turns to her guide and asks: "How is this possible. What has changed?"

The guide answers: "Land mines."

A mother is in the kitchen making dinner for her family when her daughter walks in.

"Mummy, where do babies come from?"

Oh no... The mother thinks for a few seconds and says, "Well pet, Mommy and Daddy fall in love and get married. Then one night they go into their bedroom, they kiss and they hug and have sex."

The daughter looks puzzled so the mother continues.

"That means the daddy puts his penis in the mommy's vagina. That's how you get a baby, sweetheart."

The child seems to comprehend. "I see," she says haltingly. "But the other night when I had that nightmare and came into your room you had daddy's penis in your mouth. What do you get when you do that?"

"Jewellery, my love. Jewellery."

M

Three guys go to a ski lodge, and there aren't enough rooms, so they have to share

a bed. In the middle of the night, the guy on the right wakes up and says: "Bloody heck! I had this really wild, vivid dream of getting a hand job!"

The guy on the left wakes up, and, amazingly, he's had the same dream.

Then the guy in the middle wakes up and says: "No wet dreams for me: I dreamed I was skiing!"

M

A young Mexican woman springs into the kitchen of her parental home, happily telling her mother how she earned \$20 by climbing a tree for some male American tourists.

Her mother cries: "Oh fool of a girl – these gringos... they just wanted to see your panties!"

The daughter replies: "I knew this, Mamma! But I was smart: I took them off first."

Mickey Mouse is in the middle of a nasty divorce from Minnie Mouse.

"The giant's coming! The giant's coming!"

Mickey appeals to the judge about the case.

"I'm sorry Mickey, but I can't divorce you and give you the bulk of your fortune as you ask merely on the grounds that Minnie is hopelessly insane," rules the judge.

Mickey replies, "I didn't say she was hopelessly insane! I said she's fucking Goofy!"

M

An exasperated man boards a plane with six kids in tow. After they get settled in their seats, an elderly woman sitting across the aisle leans over to him and, smiling, asks indulgently: "Are all of these children yours?"

"No," he responds with a sigh. "I work for a condom company. These are customer complaints."

It's always a pleasure when we get to lay another top shelf newbie on you, but when it's a Page 3 and lads' mag lovely who's also built up quite a following on the telly it's a toppermost treat. Oh, and when she looks half as grand as Cara here it's quite possibly one of the highlights of the year! So Cara, what brings you and your gorgeous bod to *Mayfair* magazine this month?

"Well, I figured it was high time I started to explore the naughtier side of my personality!" she purrs. "After all, *Mayfair* is the swankiest of the UK top shelf magazines, and having seen some of the babes you've featured over the years, I figured I'd be in good company!"

Very true. And allow us to take this opportunity to extend you a warm welcome. Not that that's the only thing that finds itself being extended, mind...

CHARLEY

Age: 27 Vital Stats: 34G-26-35 5'7"
Photographer: BB Media

□ □ □ □ □ □ □ □

Busty-licious Brentwood babe Charley is, by general consensus of just about everyone in the *Mayfair* office, just about the perfect girl if you're looking for a fun night out! She's got the sort of outlook on life which means you can't help enjoying yourself in her company, and when the conversation finally dries up at the end of the evening... well, then there are certain other attributes she possesses that are pretty well perfect for keeping a fella entertained!

"Well that's all very well for you!" she huffs, "But who's going to keep me entertained?!"

Hmm, we're pretty sure you won't go short on volunteers on that front, love!

□□□□□□□□

Half-pint sized Latina lovely Idelsy caused something of a stir when she appeared in our sister title *Men Only* a few months back, so we figured it was only fair that *Mayfair* readers got to see what all the fuss is about! Cue a black girdle, suspenders and stockings, and the sort of set that should keep your discriminating lingerie-lover in clover until next month's issue comes along! So does she often get dolled up like this, we wondered...?

"Yes, all the time! I think there's nothing more sensual than slipping into some classy lingerie, and the guys I date seem to like it as well!"

Well they'd have to be pretty bloody clueless not to, let's face it!

So, that's the World Cup over and done with for another four years! Now that it's gone, that leaves a gaping hole in the evening schedules. So what are you going to watch? Well, as we're on the subject of gaping holes...

PICK

DIARY OF A PERV

Digital Playground

CAST: Jesse Jane, Kirsten Price, Chanel Preston, Selena Rose, Giselle Leon, Maddy O'Reilly, Veruca James.

"Dear Diary, Today I surreptitiously slipped a mirror on a stick between an old dear's legs for a fly squint at her knickers."

Naturally, that is what one expects from the "Diary Of A Perv". But American director Kieran Lee seems to have a different definition: a "perv" being someone who derives pleasure from admiring (his expression being "perving on", derivative of the verb "to perv") a beautiful woman in a swimsuit before whipping off her skimpy and giving her a straightforward sorting. Well, that's all of us, isn't it?

Even so, Lee's new release is a fine one, departing from Digital Playground's usual feature fare in favour of half a dozen gonzo scenes shot in a POV style.

Kieran and Xander happen upon revoltingly-named brunette Veruca outside catching some [gamma] rays in a skimpy pink bikini [and trying not to turn into the Hulk]. Giselle Leon is also in attendance. After "perving" on the stunning girls for a while, Xander and Kieran make their moves. Veruca, whose name always interrupts my concentration by making me think of poultices and foot powder, steals the show by trying to cram Keiran's balls and knob inside her mouth at once without bursting her face.

In this, I'm delighted to report, she succeeds. I know because I've seen Veruca in a couple of dozen films made later the same week and her face wasn't burst at all.

Veruca steals the show by trying to cram Kieran's knob and balls into her mouth at once.

Brazzers

DIRTY MASSEUR 6

CAST: Jenni Lee, Madison Ivy, Esperanza Gomez, Breanne Benson, Eva Notty, Mia Malkova, Eve Lawrence.

Bill Bailey is some kind of yoga guru; you know the sort – teaching young women like Mia Malkova how to be more flexible by stripping them off, applying oil and inserting fingers. In time the poor lass is drilled in reverse cowgirl, doggie, missionary and spoon. Bill really must be some class of (lucky) fakir, however, because when he comes off he sprays jizz in slow motion. I have never come off in slow motion in my puff. Perhaps I need to try some breathing exercises or something...

Poor Johnny is in a coma (don't ask me if it's medically induced or if he just dunted his head, I'm not a flaming doctor!) so Jenni Lee and Breanne Benson attempt to bring him back to life with one sucking his balls while the other mangles his shaft as if the thing were made of pink Play-Doh.

In a development that I would not have believed had I not seen it with my own eyes (and not those of an ocular surrogate) the girls pull off the seemingly impossible by awakening Johnny from his coma.

★★★★☆

Instead of contacting his relatives and friends to break the good news, however, he helps the three of them oil up and then everyone fingers and rides everyone else.

I should have thought that Johnny would be so weak and spindly after being in a coma that he wouldn't have had the strength to pork the young ladies, but maybe he was only pretending. Which is despicable, because some people really are in comas and this flick could give their families false hope that oiling up and wanking off their dear ones will obviate the necessity of deciding whether or not to pull the plug.

Yet another example of how, handled wrongly, Porn = Death.

★★★★☆

Digital Playground

HALL OF FAMERS

CAST: Asia Carrera, Janine Lindemulder, Devon, Cheyne Collins, Jessica Drake, Jaqueline, Belladonna, Alexis Amore, Jana Cova, Jesse Jane, Nautica Thorn, Teagan Presley, Staci Thorn, Sophia Santi.

Digital Playground hereby presents a spiffing compilation disc depicting their most gorgeous babes – rather than their more horrible ones – performing down the long years.

There are, however, two ways in which to look at this DVD, most especially if your porn collection stretches back into the mists of time.

The first is as a very sad time capsule allowing you to chart the physical degeneration which age always brings to the bright-eyed barely legals of olden days, who are now half of them grannies or being pushed around sanatoriums in wheelchairs with their cramped legs jammed open.

The second way is just to stock up on the Handy Andies and simply enjoy these naughty nymphs as they were in their heyday. You can always salve your conscience with a donation to some sort of knacker's yard porn charity afterwards if it makes you feel better.

Digital Playground is a company that has barely released any compilations over the years, but here they show that they know how to do things right: plenty of big names, a running time of nearly three and a half hours, and 19 scenes... and all for the price of a home vasectomy. (Pair of scissors, a needle and a bobbin of thread.)

(Steepling fingers like Mr Burns): Excellent.

Brazzers

I'M GONNA BANG YOUR MOTHER

CAST: Lisa Ann, Eva Karera, Nikita Von James, Vanilla Deville, Ava Addams, Eva Notty, Kendra Lust.

Sounding less like a nude video title than a threat of the sort made by extortionists and street gang members in the course of a peculiarly nasty home invasion, to my mind the most scary aspect of the statement "I'm Gonna Bang Your Mother" is that it is missing the little word "unless".

So realistically, there is nothing you can do: your mother is going to be banged. Like it or not. The best you can do now is to be there for her afterwards and help give their descriptions to the police.

Thus Brazzers begins a new series featuring some of the top MILFs in the industry – quite rightly ignoring the sorry looking ones at the bottom of the pile. These slightly-aged beauties have fantastic bodies and are out to prove that they can still pleasure a man using all the attributes God – and a good surgeon – gave them.

Highlights include Ava Addams locking her husband out of the house so she can be frantically knobbed by cheeky young home

★★★★☆

improvement TV show twit James Deen, and Syren De Mer's son getting sent out to the equivalent of the pictures to get rid of him while she gets a slamming from his well-hung little chum, whom she winds up stroking off over her face.

This last one is a VERY hot scene and if you're into heterosexual sex you ought probably to wear an oven mitt and keep a bucket of cold water at the ready.

TOMMIE JO

Age: 25 Vital Stats: 32DD-26-36 5'7"
Photographer: Dan Gleballs

Last time we got together with the stupendous Essex babe Tommie Jo was when she was gracing the cover of 49.05, which means it's been over 6 months since we last got to feast our eyes on her magnificent mammaries and all-round loveliness! Now we know time flies when you're having fun, but to be honest even working at *Mayfair* isn't so much fun that we don't object to having to wait that long in between sightings of one of the nation's hottest ever babes! Still, perhaps by way of making things up to us (and her!) the Ed's sent us off for a shoot in sunnier climes, so as well as spending a bit of quality time with TJ herself, we also get to dodge a bit of the crappy weather back home. Just the thought of the return journey's enough to bring a tear to the eye...

Beverley

PHOTOGRAPHED BY ROY BREWINGTON

When 24-year-old Beverley Bristow used to shout 'Hold tight, please' the passengers on the 36 bus to Grove Park probably never realised just what a naughty clippy they had on board. They might have been aware of her curvaceous 38-25-36 figure as they squeezed past on the lower deck, but few would guess that she harboured a secret desire to be a nude model. 'I liked working on the buses,' said

Beverley with a broad grin, 'even though it was only for three months. You get to meet so many people, and always tried to have a laugh with them. If it hadn't been for that ticket machine, I might still be doing it.' The machine in question was the one that spent all day bouncing on her ample boobs. 'It was so heavy,' she said with a laugh. 'I'm sure they're not the same shape.' What were they like before? One wonders.

Hmm, now we're not trying to suggest that *Mayfair* back in 1988 was in anyway promoting stereotypes when it suggested that 'Cuddly West Indian' Beverley worked on the buses as a 'Clippy' but, well, it might just look that way to the untrained eye. We have no doubts whatsoever that the tale of the ticket machine was entirely true, and that Bev abandoned her route to Grove Park and back for the sake of some glamour modelling. Bev, if you're out there, we'd love to know for sure!

But Beverley's ambitions didn't lie within London Transport. 'It was my father who suggested modelling,' said the cuddly West Indian who lives with her parents near Lewisham. 'He caught me changing, took one look at my boobs, and said I was wasted on the buses.' So, sadly for commuters, she swapped her uniform for a basque and stockings. 'I hope they like my new outfit — it's a lot more comfortable than that wretched ticket machine.'

A quick look at the calendar tells me that this issue hits the shelves the very day after the hotly disputed Brexit referendum takes place, so there's a chance that the new *Mayfair* might not make it into the news bulletins, which is a bit unfair if you ask me, given that it's going to feature such stunners as our Girl of the Year winner Holly Gibbons and boob-tastic Katie Thornton putting it all on show. I mean come on – referenda that hold the fate of the nation in their hands are all very well, but just look at those knockers!
